Dear colleagues,

After a gap of two years we are looking forward to our next symposium in June 10-11, 2022.

The first day we will have live procedures transmitted from our hospital.

All members of the faculty are very experienced in fat grafting. We included again plenty of time for our lively discussions, which are typical for our meetings.

The venue is located downtown Berlin, and June is a very fine period for travelling and exploring the city so we would recommend to include some extra days!

We hope to meet old friends and first time visitors!

See you in June,

Ursula Tanzella
Klaus Ueberreiter

Specialist in Plastic and Aesthetic Surgery

This program has been reviewed by the Educational Council and is officially Endorsed by the International Society of Aesthetic Plastic Surgery (ISAPS). Endorsement is not approval for Continuing Medical Education (CME) credit. The organizers may at their discretion provide separate CME credit.
